The Urbana City Council will hold a public hearing for the proposed income tax increase ordinance being considered by Urbana City Council for placement on the May ballot for the approval of Urbana voters. This proposed increase would add an additional six-tenths of one percent (0.6%) tax on income to the current additional four-tenths (0.4%) tax rate, establishing the new additional tax rate at one-percent (1.0%). If passed, the effective income tax rate for the City of Urbana would total two-percent (2.0%).
