

RESOLUTION NO. 2642-22

A RESOLUTION TO PARTICIPATE IN THE OHIO DEPARTMENT OF TRANSPORTATION'S MUNICIPAL BRIDGE INSPECTION PROGRAM. (Requires one reading.)

Department Requesting: Engineering

Sponsor: Cledis Scott

WHEREAS, the City of Urbana of Champaign County, Ohio, hereinafter referred to as the Local Public Agency (LPA), qualifies to participate in the Municipal Bridge Inspection Program.

WHEREAS, the LPA has determined the need for the described project: Bridge Inspection Program Services, including, but not limited to routine inspections, element level inspections, critical findings report, fracture critical member inspections, load rating calculations and reports, weight limits posting sign recommendations, scour assessments, scour plan of actions, development of fracture critical plans, and underwater dive inspection reports if needed.

WHEREAS, the previously approved Resolution 2638-22, being in like form and content, inadvertently omitted the designation of a contractual agent for the City of Urbana.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Urbana, County of Champaign and State of Ohio:

SECTION ONE:

Being in the public interest, the LPA gives consent to the Director of Transportation to complete the above described project.

SECTION TWO:

The LPA shall cooperate with the Director of Transportation in the above-described project as follows:

The State shall assume and bear 100% of all the cost for Bridge Inspection Program Services requested by the City and agreed to by the State. Eligible Bridge Inspection Services are described in the Consultant's Scope of Services Task Order Contract (Exhibit A).

The LPA agrees to pay 100% of the cost of those features which are not included in Exhibit A. Those features may include but not limited to the purchasing and erecting the recommended weight limits postings signs, the implementation of critical findings reports such as partial or total bridge closures, the implementation of the scour plan of actions. When recommendations affect public safety, ODOT expects full implementation by the municipality. As of October 2019, FHWA requires installing weight limits posting signs within 30 days from the official date of the approved recommendations. Timely implementation is essential to the success of this program.

SECTION THREE:

The LPA agrees that all right-of-way required for the described project will be made available in accordance with current State and Federal regulations.

SECTION FOUR:

The Project is based on the available funds provided by ODOT aimed at assisting the LPA in reaching compliance with State and Federal laws and policies for bridge inspection. The Project specifics (program duration, PID number, and consultant scope of services (Exhibit A)) shall be provided to the designated LPA Contractual Agent via email sent by ODOT Office of Structural Engineering (OSE).

ODOT will seek additional funds to renew the project in future years. If such funds are allocated, ODOT will send an email with the Project specifics to the designated LPA Contractual Agent seeking approval for the new Project. ODOT will not proceed with any Project that does not have written authorization via email from the designated LPA Contractual Agent.

SECTION FIVE:

The Director of Administration (Contractual Agent of LPA) of the City of Urbana is hereby empowered on behalf of the City of Urbana to provide written authorization via email to the Director of Transportation to complete the above-described project and any renewals.

SECTION SIX:

All actions of City Council related to this legislation were conducted in open meetings pursuant to Urbana Codified Ordinance 107.01 and Ohio Revised Code 121.22.

SECTION SEVEN:

This resolution shall become effective on October 18, 2022.

SECTION EIGHT:

This resolution supersedes Resolution 2638-22.

President, City of Urbana Council

PASSED: _____
